2023 & 2024 NCBA DIII WORLD SERIES TO BE PLAYED IN BUTLER, PA

PITTSBURGH, PA — The National Club Baseball Association is pleased to announce that the 2023 & 2024 NCBA Division III World Series events will be held at Michelle Krill Field at Historic Pullman Park in Butler, PA. The 2023 Division III World Series will kick off Friday May 19th & conclude Sunday May 21st.

Historic Pullman Park was originally built in 1934 by the Butler Athletic Club. The ballpark itself was named after the Pullman-Standard Company's railroad car manufacturing facility which sat adjacent to the ballpark from 1902-2005. The stadium has gone through numerous renovations over the years including making the infield turf in 2008. Most recently, the facility hosted the 2022 NCBA Division II World Series.

Pullman Park has also been the home for minor league teams throughout its time. Notable players such as Lou Gehrig, Joe Dimaggio & Whitey Ford played at the stadium while the Yankees farm team (Butler Yankees) was in Butler. Joe Namath, Terry Hanratty & Rich Saul also played at Pullman during their high school years.

"The NCBA is extremely excited to bring the 2023 NCBA DIII World Series to Michelle Krill Field at Historic Pullman Park in Butler. It's a beautiful facility that has tons of history & will create a fantastic experience for our teams." **Mike Galletti | Director of DIII Baseball Operations**

"The City of Butler Parks, Recreation Grounds & Facilities Authority are excited to have the NCBA choose our location for the Division III World Series

for 2023. Not only is this a great thing for our stadium but our surrounding community. We are happy to have started this partnership with NCBA & Butler County Tourism & looking forward to what the future brings for all involved." **Dean Selfridge | Director, City of Butler Parks, Recreation Grounds, & Facilities Authority**

Butler, PA has several airport options close by; Pittsburgh International Airport (1 hour), Erie International Airport (2 hours) and Cleveland Hopkins International Airport (2 hours), which will create additional convenience for all attendees having to fly in from around the United States.
