

NCBA PLAYER REGISTRATION INSTRUCTIONS

The NCBA Player registration process is the online tool developed by CollClubSports by which players enter themselves in to the NCBA system and thus begin the process of becoming cleared to be eligible to compete in the NCBA. Once a player completes the registration process they move in to a holding “Roster Queue”. Once the team submits an “Academic Eligibility Letter” players that are deemed eligible will be moved from the “Roster Queue” to the team’s official roster and then will appear on the NCBA website as a player for that particular team. **Only when this happens is a player deemed eligible to compete in the NCBA.** Additionally, once the players are added to the official roster the stats for that player will be able to be tracked through the NCBA website and the player will become eligible to win awards such as Player/Pitcher of the Week and All Region/All American.

IMPORTANT NOTES:

- 1) During the registration process, players will be asked for information such as a picture, biography, jersey number, and position. If they don’t have this available, that is okay, they can log back in to the Player Registration system any time after completing the process and add/edit these portions of their player profile.
- 2) It is important that players take their time as they complete the Player Registration, much of the information they will be asked is sensitive to determining their eligibility to compete in the NCBA and some of the information cannot be changed once they initially enter it. That said, we stress that players read through the process thoroughly and enter all information **accurately**.
- 3) Players who registered through the Player Registration system in a previous season will be recognized by the system and will auto populate many of the fields. It is important that they make sure this information is still accurate and update it as necessary.

Here are the steps to begin the player registration process:

STEP 1: Contact your team President and ask him/her what your player registration “Team Code” is. If they are unsure what you’re referring to, tell them that when they log into the NCBA Website with their Team Manager Credentials it can be found by clicking on the Team Setting option under the Blue Gear Icon on the top right corner. Once you have the “Team Code” move on to step 2.

STEP 2: Go to <https://div3.clubbaseball.org>

STEP 3: Click on the LOGIN button in the top right hand corner.

STEP 4: If this is your first time ever accessing the CollClubSports Management Portal, then Click on the 1ST TIME PLAYER REGISTRATION button on the right.

- If your last name has a suffix at the end like Jr, Sr, II, III, etc. be sure to place that in the “Last Name Suffix” line and NOT in the “Last Name” line.
- Be sure to enter your “Team Code” that you received from your team president.
- Enter an email address that you have frequent access to and create a password for your account.
- Click REGISTER.
- If you get a message at the top of the screen saying your email is already in the system, this means that the system already has your email on record either from playing in the NCBA in seasons past, having played in another CollClubSports league, or perhaps you are a Team Manager for your team. In this case, click on “Back to Login” at the bottom and proceed to the “Existing User/Returning Player Login”. Enter that same email address and the password you had originally created your account with. If you don’t remember it, you can click “Forgot Password” at the bottom to reset it.
- Otherwise, an email will be sent to the address provided with a link to confirm the creation of your player account. Click the link and proceed to the CollClubSports Management Portal Login.

 - o It is VERY important that you enter the correct information especially for your DOB, gender, SS#, and initials because you will not have an opportunity to change it later and inaccurate information could prevent you from becoming eligible to compete in the NCBA.

Date of Birth* Select Gender* Last 4 Social* If you do not have a SSN, enter the last 4 digits of your passport number

Initials* Height Feet Height Inches Weight

- Complete the “Mailing Address” section.

Mailing Address

Address 1 Address 2

City Zip Select State

- Complete the “High School Information” section about when you graduate high school, the name of your high school, and where it was located. Just list the name of your high school, DO NOT actually add the words “high school” as the system will take care of that automatically. (ex. If you went to Martin Luther King High School, simply put “Martin Luther King”)

High School Information*

When did you graduate from high school?

What was the name of your high school?

What city is your high school located?

- Complete the “Initial College Information” section. Realize that the first college you ever enrolled in might not be the college you are currently attending or attempting to play for. If the College you first enrolled in is not listed in the drop down, select “None of these schools” and type the name of that college in the empty field to the right.
 - o It is VERY important that you enter the correct month and year that you first enrolled in college full time because you will not have an opportunity to change it later and inaccurate information could prevent you from becoming eligible to compete in the NCBA.

Initial College Information*

What was the first college you ever enrolled in full time?

When did you first enroll full time at the school you just selected?

- Insert in your personal biography in to the text box at the bottom. This is where you can talk about your background in the sport, awards you may have won in high school, or previously in college. You can talk about your hobbies, your family, or perhaps your education pursuits. Make it interesting because this will be tied to your player bio on the NCBA website for the entire world to read about you. **DO NOT** use foul language or inappropriate content as doing so could result in disciplinary action being taken against you or your team for violating our conduct policies.

This is the personal biography that will be publicly visible on your player profile.
